

Overview

RM&R homepage is the starting point for all users who manually sign-in to RM&R, or users who have access to multiple modules. Modules are enabled based on user permissions. Should you have any questions on permissions contact the **RM&R Help Desk** at 1-866-556-5005.

The homepage has up to six icons for each module available within RM&R. The six available modules are detailed below.

Available Modules

The screenshot shows the RM&R homepage interface. At the top left is the RM&R logo. At the top right are user profile icons, a notification bell, and a settings gear. Below the navigation bar is a welcome message: "Welcome to Resource Matching & Referral (RM&R)." The main content area features five module cards arranged in two rows. The first row contains: **Transition** (Manage client requirements and placement choice.), **Assessment** (Send, Assess and Manage Referrals.), and **Service Provider** (Receive client referrals and manage vacancies.). The second row contains: **Reports** (View and analyze each step of the placement process.) and **Region Administration** (Set up Strata PathWays.). At the bottom of the page is a confidentiality disclaimer and a copyright notice for Strata PathWays.

Transition

Enables users to manage client bed matching for LTC, Short Stay and Convalescent Care type.

Assessment

Allows sending organizations to complete referrals for each of the available Care type.

Service Provider

This module allows receiving organizations to action complete referrals for each of the available Care Types.

Reports

Access to custom reports.

Region Admin

Provides access for system administrators. Order template administrators also use this module to create/update/remove order templates.
