What is a Short Stay Respite referral form?

What is a Short Stay Respite referral form ❓ A Short Stay Respite eReferral form can only be completed by Toronto Central LHIN. For non-LHIN staff, please complete a LHIN – Home and Community referral form, requesting a Short Stay Respite assessment. Please view '**What is a LHIN – Home and Community referral Form?**' for more details. Please view '**How do I complete a referral?**' for more details about completing a referral.

Listed below are all the tabs in the Short Stay Respite referral form.

Client Details (1)

Includes a summary of key information about the referral form, such as Patient name, MRN and Responsible Person(s) for the referral. This is a standard tab across all referral care types.

Demographics (2)

Includes relevant information identifying the patient. This is a standard tab across all referral care types.

Supplementary Information (3)

Additional patient information including language, ethno-cultural and religion preference. Entering information in this tab may trigger the smoking assessment and behavioural assessment tabs.
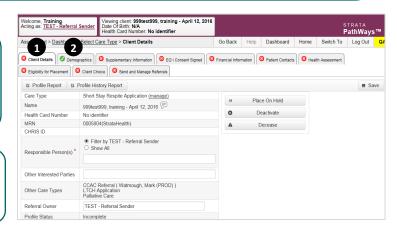

EQ/Consent Signed (4)

Questions regarding capacity assessment and confirmation that written consent was received.
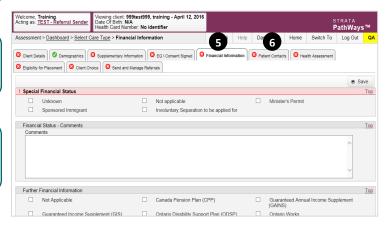

Financial Information (5)

Summary of the patient's financial information.

Patient Contacts (6)

Includes information related the patient's contacts and if any contacts have Power of Attorney.

Health Assessment (7)

- For applications from the community, this tab is used to acknowledge receipt of completed paper health report and to record the date the health report was updated.
- For applications from acute/rehab/CCC sites, this tab contains information about the patients' health status and is completed by a physician or nurse.

Behavioural Assessment (3a)

Includes information related to the patient's behaviour.

Smoking Assessment (3b)

Includes information related to the patient's smoking habits.
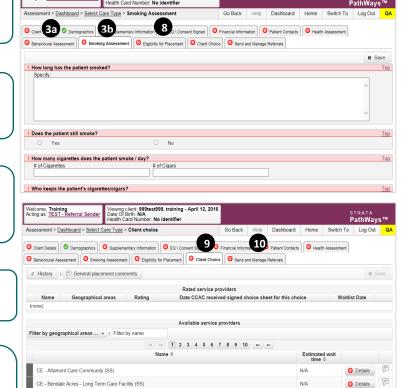

Eligibility for Placement (8)

Ensures the patient meets the minimum requirements for short stay admission.

Client Choice (9)

Identifies the patient's short stay choices.

Send/Manage Referrals (10)

Includes current referrals associated with the patient and functionalities to send the referral. Please view **'How do I send a Short Stay Respite referral?'** guide for more details.

⚠️ Access to different care type referral forms is set at an organization and user level. Please contact your **Local Registration Authority (LRA)** for details and to request access.
If you are unsure of your LRA, please contact the **RM&R program** at **rmr_program@uhn.ca**
