

Resource Matching & Referral Release 9.29- Palliative/LTC Homes

General Information:

New Feature—Changes to Login Screen

Users will notice that the Login Screen has changed in the way it looks.

Before

After

New Feature—Home Page has a different look

The Home Screen has also received an update. The **'Messages'** are now located in the upper right corner indicated by the envelope icon. **'Menu'** options are streamlined and users can still switch to any other role that they have permissions to access by click on the **'Switch To'** text.

Before

After

New Feature—“Save” button on Custom Reports changed to “Download”

When users are generating a report, the **‘Save’** button has been changed to **‘Download’** to better reflect the action being completed.

Before

After

New Feature—Display additional information for Current Location

Users will now be able to view contact information for the **Current Location** when viewing the **Clinical Profile**.

Improvement—New tabs added and order changed

The tabs at the top of the page for the **Service Provider** have changed order, as well as new tabs for **Admissions** and **Discharges** being added. Previously, to search for Admissions and Discharges, users would have to select the Search tab.

Before

Service Provider > **Test-LTC1 Testing Home**

Referrals	Reports	Vacancies	Manage	Search
-----------	---------	-----------	--------	--------

Service Provider > **Test-LTC1 Testing Home**

Referrals	Reports	Vacancies	Manage	Search
-----------	---------	-----------	--------	--------

- ▶ **Vacancy Search**
- ▶ **Admission Notice Search**
- ▶ **Discharge Notice Search**

After

Service Provider > **Test-LTC1 Testing Home**

Referrals	Vacancies	Discharges	Admissions	Reports	Manage
-----------	------------------	------------	------------	---------	--------

Improvement—New tab: Discharges

The new '**Discharges Tab**' allows users to search for discharges notices that they have sent in the past.

Service Provider > **Search And View Discharge Notices** Go Back Help Dashboard Home Switch To Log Out

Referrals	Vacancies	Discharges	Admissions	Reports	Manage
